# WHAT MAKES THE REMNANT DIFFERENT

Faith, leadership, practical learning, and athletics come together in intentionally small programs created for homeschool families.

01

## FAITH WOVEN THROUGH EVERYTHING

Biblical truth is woven into the rhythm of each program, not confined to a separate lesson.

02

## FORMATION BEFORE PERFORMANCE

We focus on identity, character, discipline, judgment, and a willingness to lead well.

03

## LEARNING THAT BECOMES PRACTICE

Students move from discussion into projects, presentations, decisions, teamwork, service, and real responsibility.

04

## DIFFERENT PATHWAYS, ONE VISION

Leadership development, elementary enrichment, and basketball offer distinct experiences built around faith and growth.

05

## CREATED FOR HOMESCHOOL FAMILIES

Weekly programs add structured community, mentorship, practical development, and meaningful peer relationships.
